## 2016 ANNUAL REPORT

## CHIEF'S MESSAGE

The 2016 Sherman Police Department Annual Report is an introductory step into communicating with the stakeholders of our community. I hope you find the 2016 Annual Report informative and beneficial as you look to see how the Sherman Police Department serves you. We remain dedicated to seeing that we continue to serve our evolving society with an open mind and a heart of service.

I was fortunate enough to be named interim police chief in December of 2016 and be appointed the Chief of Police on January 1, 2017. A number of benchmarks were met in 2016 and the department was able to plan for future growth. Due to a number of retirements and departures from the department, the police department had a number of open positions when I assumed the chief's duties, however, you will find in this report that the members of the Sherman Police Department did an exceptional job of continuing to further the City's mission and the mission of the department in protecting and serving its citizens.

The members of the Sherman Police Department are extremely grateful for the city council and city administrators giving us the opportunity to serve our community.

Sincerely,

Zachary Flores, Chief of Police
